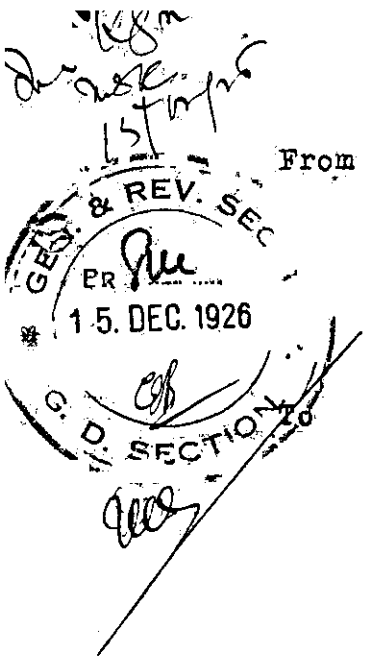
Bangalore City,

Dated 15th December 1926.

PFS 4-26-11.



From

Mr. V. Subrahmanya Sastri, B.A.,
Gavipur Extension, BASAVANGUDI.

The Secretary to the Government
of His Highness the Maharaja of Mysore,
General Department, Bangalore.

S i r,

I beg to state that it has been my good luck to translate into English the celebrated Astrological work- Brihat Jataka- by Varaha Mihira, with copious Notes.

I wish to see that this work of mine is brought out in print during my life-time so that the readers thereof may be benefitted by it. But there are some difficulties in its being printed, inasmuchas there is not a single private Press well-equipped with Sanskrit types of different kinds required for the work, in the State. Nor can the Madras Presidency boast of such a private Press to undertake the printing of this kind.

The Government Branch Press at Mysore is equipped with the necessary kinds of Sanskrit types and, in my humble opinion, it is the only Press that can take up my work. I therefore request that Government may be pleased to accord permission to get the work printed at the Branch Press, Mysore. Being an official of His Highness' Government for the last 28 years, I believe I can claim this privilege and more especially in view of similar concessions I have been very generously shown, viz.,

1. Purchase of 25 sets of my publication जातकपारि (Jātakapārijāta) G.O.No. 6489-91/Ed 256-06-6 dt 17-1-1907.

जातं, an astrological work in 7 parts of more than 1000 pages.

2. Purchase of 500 copies of SARAVALI, another rare astrological work edited by me.

G.O. 13 Aug 07. M. 38-07-5,

Printing at Government Press of SRIPATI PADDATI, a treatise on Mathematical Astrology translated by me with Notes.

If permission is granted, I wish to have 2000 copies printed.

I shall feel grateful if Government can kindly show me special concession with regard to the cost of printing.

I remain,

Yours most obediently,

V. Subrahmanyasastri

The matter consists of English and Sanskrit (major portion nglish) and will come to about 50 Formes of 8 pages each or 400 pages.

I shall deem it a great favor if Government are pleased to accord a rate of Rs 5 + 2 or Rs 7/- per forme of 8 pages, 2000 copies each. I shall undertake to supply the paper myself.

V Subrahmanyam
